During discussion of Council Member Resnik's motion, Council Member Moore made an alternative motion to Table the item for further discussion. This motion was seconded by Mayor Meier. The call to vote on the motion to Table the item was made and the motion to Table failed.

Subsequently, the Council voted on Council Member Resnik's motion to continue operating the Town based on a "Best Product" overall value proposition, that allows the City Manager to bring projects and departments to Council for consideration that fit into either the Total Cost or Total Solution category, and fund them accordingly, and the motion passed.

The motion was seconded by Council Member Arfsten.

After discussion, a vote was taken on the first motion to pay back the remaining balance: it failed. A vote was then taken on the alternative motion to pay half the remaining balance in the FY14 and other half in the FY15 year, provided it did not put fund balance below 25%. The motion passed.

Council approval is requested for the purchase of (1) 2014 MICU Ambulance, (1) 2014 Ford F-650 Dump Truck, (2) 2014 1Ton Service Trucks, (4) ¾ Ton Service Trucks, (1) ½ Ton Service Truck and (4) Utility vehicles under the Town's Inter-local Agreement with the Texas Local Government Purchasing Cooperative - known as BuyBoard and the Houston Galveston Area Council of Government known as HGAC in the amount of \$445,691.22.

#### FINANCIAL IMPACT:

See attached memo for the Financial Impact.

#### **BACKGROUND:**

At the January 11, 2005 Council meeting, the Town approved a resolution to join the Texas Local Government Purchasing Cooperative - better known as BuyBoard. BuyBoard issues request for bids for vehicles and equipment every year and receives extremely competitive prices because of the large volume of purchases they generate. This is a comparable purchasing method to those purchases done through the Houston Galveston Area Council (HGAC). By participating in these cooperative purchasing agreements, we are able to receive better prices on items we need and in some cases without the effort of seeking formal quotes or bids.

State statute exempts the Town from formal bid requirements when purchasing through the Inter-local Agreement with BuyBoard and HGAC.

The 2014 MICU Ambulance for the Fire Department replaces a 2008 MICU Ambulance that will go to reserve status. The 2014 Dump Truck replaces a 1990 Dump Truck. The (1) 2014 1/2 Ton Truck replaces a 2003 ½ ton truck. The 2014 ¾ Ton Trucks replace (2) 2004's, (1) 2005 and (1) 2006 model trucks. The (2) 2014 1 Ton Trucks replace (1) 2004 and (1) 2005 trucks. The (4) 2014 Utility vehicles replace (2) 2007 and (2) 2001 Utilities Vehicles.

All the replaced vehicles will be auctioned at the next Town vehicle auction.

There are sufficient funds in the Capital Equipment Replacement Fund, Utilities Fund and Airport Fund to cover the recommended expenditures.

# **RECOMMENDATION:**

Administration recommends approval.

Council Goals: Mindful stewardship of Town Resources.

#### **BACKGROUND:**

At the January 11, 2005 Council meeting, the Town approved a resolution to join the Texas Local Government Purchasing Cooperative - better known as BuyBoard. BuyBoard issues request for bids for vehicles and equipment every year and receives extremely competitive prices because of the large volume of purchases they generate. This is a comparable purchasing method to those purchases done through the Houston Galveston Area Council (HGAC). By participating in these cooperative purchasing agreements, we are able to receive better prices on items we need and in some cases without the effort of seeking formal quotes or bids.

State statute exempts the Town from formal bid requirements when purchasing through the Interlocal Agreement with BuyBoard and HGAC.

The 2014 MICU Ambulance for the Fire Department replaces a 2008 MICU Ambulance that will go to reserve status. The 2014 Dump Truck replaces a 1990 Dump Truck. The (1) 2014 1/2 Ton Truck replaces a 2003 ½ ton truck. The 2014 ¾ Ton Trucks replace (2) 2004's, (1) 2005 and (1) 2006 model trucks. The (2) 2014 1 Ton Trucks replace (1) 2004 and (1) 2005 trucks. The (4) 2014 Utility vehicles replace (2) 2007 and (2) 2001 Utilities Vehicles.

All the replaced vehicles will be auctioned at the next Town vehicle auction.

There are sufficient funds in the Capital Equipment Replacement Fund, Utilities Fund and Airport Fund to cover the recommended expenditures.

**Meeting Date:** 10/08/2013

## **AGENDA CAPTION:**

Appointment of a Member to the Planning and Zoning Commission.

## **FINANCIAL IMPACT:**

NA

# **BACKGROUND:**

Commissioner John Oliver's second term on the Commission will expire on October 13, 2013. Commissioner Oliver was appointed by Councilmember DeFrancisco.

## **RECOMMENDATION:**

There is no recommendation.

Council Goals: N/A

**Meeting Date:** 10/08/2013

## **AGENDA CAPTION:**

Presentation, discussion, and consideration of approval of an ordinance amending the Town's Annual budget for the fiscal year ending September 30, 2013.

# Recommendation:

Administration recommends approval.

#### FINANCIAL IMPACT:

There is no direct financial impact associated with this item. Details of the amendments are presented in the attached materials. Below is a summary of the changes in total revenues, expenditures, and fund balance.

# **Original Amended**

Total Revenues \$58,939,020 \$81,366,536 Decrease in Fund Balance <u>6,929,960 9,830,198</u> Total Appropriations <u>\$65,868,980 \$71,536,339</u>

#### **BACKGROUND:**

The annual budget is a blueprint of how financial resources are expected to be received and appropriated throughout the fiscal year. Inevitably, as the year progresses, variances with the budget occur in the various categories of revenue and expenditures. Each year, Financial and Strategic Services staff reviews the budget to determine which items should be recognized with formal budget amendments. Although variances occur in almost every one of the hundreds of detailed financial line items the Town maintains, budget amendments are presented to Council for only a few major categories using the following primary criteria:

- Appropriations for major cost centers (departments) will be exceeded. Financial and Strategic Services staff maintains budget control over operating department expenditures. Excess expenditures in one category are usually addressed with transfers of surpluses in other categories. However, if the excess expenditures are so large that the total department budget will be exceeded, these items must be addressed with a budget amendment.
- o Revenues are significantly less than budgeted. A material shortage in a

particular category may impact the ability to fund certain programs or significantly reduce fund balance.

In other words, any variance that has an impact on the Town's finances is addressed with a budget amendment.

Major changes proposed for the 2013 budget are:

# General Fund

- Recognize increase in fund balance and variances in revenues that have the net effect of increasing resources available for appropriation by \$3,066,335.
- Recognize increased expenditures in various departments that increase total appropriations by \$172,290, or 0.58 percent. The most significant changes include funding of expanded services related to Police and Fire departments for motor vehicle maintenance (\$107,290), and cost related to funding non-profit organizations mostly Metrocrest Chamber in the Council Projects department (\$40,000), and additional cost associated with increase in attorney fees (\$25,000).

# **Hotel Fund**

- Recognize increase fund balance, increased Hotel Occupancy Tax, and increase in other revenues for a net increase in resources available for appropriation by \$979,144.
- Recognize increased expenditures in various departments that increase appropriations by \$757,900. This includes the purchase of the Conference Centre HVAC system (\$649,000), increased security screening at the Town's special events (\$86,400), and costs associated with World Affairs – Spotlight China (\$22,500).

# Other Funds

- Recognize variances in beginning fund balances in other funds.
- Recognize cost incurred in 2012 Capital Project Fund for various capital projects.
- Recognize revenues associated with the bond proceeds received from the 2013 issuance for capital projects (\$8,082,493).
- Recognize an additional \$280,000 in Airport Fund revenue related to: fuel flowage fees, and rental income. Also, recognize bond proceeds in the amount of (\$3,041,789).
- Recognize revenue within the Storm Water Fund in the amount of (\$8,790,571), most of which (\$7,604,471) consist of bond proceeds. Also, recognize personnel costs (\$65,000) associated with the operation of the new fund.

Exhibit A of the ordinance reflects the summary of the amended budget for all

funds, Exhibit B reflects the proposed budget changes by fund, and Exhibit C details all proposed budget modifications.

#### **RECOMMENDATION:**

Administration recommends approval.

Council Goals: Mindful stewardship of Town Resources.
